

Sermon-based small groups connect the week to the weekend!

Dig deeper into the talk each week, while getting connected, cared for and known. Challenge yourself to see how the message actually makes sense and applies to your everyday life and do it with people just like you to support you on your journey.

Message Info: #thatsgood, - 7/11/2021. We get to this amazing part of the Sermon on the Mount where Jesus is describing the approachability of God. For a people who thought God was distant and and unconcerned this was a very big deal. Little did they know God wasn't just approachable He had come to them. What do you want? It is a question Jesus asked a blind man. It is a question that makes us uncomfortable. But it is important to know that has your best ahead of you. Just ask, seek, knock. (Passages: Matthew 7:7-12, Mark 10:46-52James 1:12)

Discussion Questions: Take your time and dig into these questions.

What is something you want? I know it is an uncomfortable question. Think about it for a minute. What do you want?

Have you ever not expressed what you really want because you were afraid it wouldn't happen or you didn't deserve it and you would be disappointed? Why do you think we often think that disappointment is right around the corner? Is that a faith based way to look at life?

Read 2 Mark 10:46-52. What sticks out to you from this passage? Why did you pick that part?

What are some things that distract people and keep them from seeing the best God has for them?

What are some fears or insecurities that keep people relegated to their curb in life?

Do you ever wrestle with any of the stuff listed above? How so?

People can also get in the way. How can we show God's love to everyone but minimize the voices of those who keep us from experiencing what God has for us?

Read Matthew 7:7-12. How do you think this passage speaks to the answers to the above questions? What is one thing you can take away from this passage this week?

Group Challenge: Commit to praying for our Tremont Campus every day this week.
