

Sermon-based small groups connect the week to the weekend!

Dig deeper into the talk each week, while getting connected, cared for and known. Challenge yourself to see how the message actually makes sense and applies to your everyday life and do it with people just like you to support you on your journey.

Message Info: Big Next Steps, 5/8/22 - God is working. He isn't far off, distant or uninterested. Instead he is working in and around us to draw us closer to Himself. But, life is complex and we often miss what God is doing in the complexity of our lives. You can miss it, but God is calling you to more. The Ethiopian eunuch is a great example of a complex life, searching and missing something. When he finds it in Jesus it changes everything. (Passages: Acts 8:26-39; Ephesians 2:8-9; Acts 2:37-38)

Discussion Questions: Take your time and dig into these questions.

Life is complex. Have you ever been in a space where you felt conflicted because something seemed to be missing? Describe what that felt like.

Read Acts 8:26-39. What sticks out to you from this passage? Why?

How are Phillip and the Ethiopian similar? How are they different?

Did you ever feel like you couldn't step out in faith because the plan wasn't clear for you? Why do you think we want the whole plan and all the details?

How do faith and uncertainty interact?

What kind of next steps does God lead people who are following him toward?

What's a possible next step for you in your journey of following Jesus?
